“ I shared a bit last evening, but I am not sure if it saved in the system -- so a bit of addition. Chief, I will definitely miss you. You were a good and loyal friend. I will always treasure the times we were able to spend together. Rest in peace. You are now in a better place and free from the afflictions of this life. God Bless Your Soul, Lavern. I will always remember you!

Your Friend,

Dave Landsom

“ Lavern (Chief): You were a true and loyal friend for so many years. I regret not having been able to spend some more time with you in recent years, but life commitments and distance did not make that possible. I valued the brief times we were able to get in touch even in recent years (e.g., at SG Homecoming and our phone communication a few months ago.) God Bless, Lavern, as you spend your time now in a better place.

Your Friend,

Dave Landsom
