“ My good friend Naomi has left us. She lived life with gusto as I remember it. She did her best in all she did. She did this with few complaints n a big smile most of the time. I have missed her over the years since I left the area. I was on the bowling team n we had agood time. She will continue to be missed by many. A wonderful mom, lady, co-worker and friend. My thoughts and prayers are with her family now and always. Charlene Schwartz Smith.

“ Oh what a Nom! You were not expected to knock when you came into her house and kitchen. Nope, come in, grab a cup of coffee and sit down at the table like you were at your own kitchen. All are welcome, all of the time. She loved and cared for so many. You leave a legacy of love Naomi - rest well.

“ Our hearts are broken for all of you and the sudden loss of your truly beautiful mother. She had a huge heart of gold and was so kind and thoughtful. And, she had so much spunk, sass and a delightful sense of humor to add spice whenever we would run into her.

I loved being able to sit or stand with her all those years that we watched "our boys" playing sports, sitting at the banquets or other school functions.

We loved getting her to wait on us at the Redwood because we knew it would be a fun outing that time.

Heaven just got a whole lot more interesting when they got Naomi...

Please take care of yourselves because you're momma wants you to!

Hugs, Doris and Kim
