“ I am so sorry for your loss. You are all in my thoughts and prayers. It's hard to lose a loved one anytime but especially with this pandemic, you don't get to say your goodbyes properly. Jenny Jahnke

“ I worked with Bernice at Northern Engraving for about 11 years. She was an excellent co-worker and had such a kind personality. I hope the years were good to her.

“ So many memories of Aunt Bernice. I see her decked out in her Legion Auxiliary clothes serving military veterans like her husband, Uncle Bill, as well as myself and other hometown veterans. I remember her statuesque, brisk walk as she went past our house to go to the post office. I also think of her zipping around in her little, red car probably running an errand for someone else. As a youngster growing up in SG Bernice, Bill, Barb, Jen, and Harris were neighbors of Grampa Ed and Gramma Gunhild so many get togethers were spent in the neighborhood sharing food and family. Often times after we returned to SG and rejoined Trinity Sundays were spent in nearby pews in worship. I also remember the gift she gave 'me' each holiday that I wouldn't share-her flatbread...mmmmm. Thanks for the memories, Bernice, and memories last forever!

“ Many memories of Aunt Bernice from my youth to my 'not so youth'! Growing up in SG and returning to spend my years teaching there allowed me to see Aunt Bernice always active in church and community. They were neighbors to Grampa Ed and Gramma Gunhild so get togethers growing up were plentiful. I'll always be able to taste the flatbread she would bless ME with because I was reluctant to share!!! I visualize Bernice briskly walking past our place to go to the post office or zipping by in her little red car!!! I also remember her in her her Legion Auxiliary attire doing her all for us, the returning military veterans. As a SG teacher I was always proud on Veterans Day when we'd gather for our Veterans Day program and Bernice would smartly march in with her partners in the auxiliary and us veterans. Prayers, love, and hugs to Barb, Jen, family and all our community.

My sincere condolences to Bernice's family. I shall always remember her. She hand quilted many quilt tops for me. She did a beautiful job, and I will continue to enjoy these quilts for many years to come. Please know that I am thinking of you.
