Casey Daniel Knutson age 26 passed away Feb. 16th, from injuries sustained in an automobile accident.

Casey was born in La Crosse, WI on August 31, 1993 to Mark and Molly (Boyle) Knutson, he was a lifelong Spring Grove resident.

He spent his last summer working in a pit crew with Jake Timm and driving for Knutson racing for fourteen years, he was a featured winning driver.

Casey especially loved being an uncle to his nephews Aiden and Garrett and was excited about his soon to be nephew Owen.

Casey's smile and effervescent personality could light up a room when he entered, he had the ability to change someone's bad day into a better one

with a joke or some crazy antic; He will be dearly missed by all who knew and loved him.

“ Sorry to hear of your loss. Although I did not know Casey, I have known his father Mark for many years and when Mark would talk about Casey it was always as a proud parent.

“ I will never forget Casey's smile. When he worked at Quillins he would always have a smile on his face and be laughing about something. I did not know him that well but the way he was it was as if you knew him for a long time. I knew him through my brother, my husband, and brother inlaw whom also have dirt tracked raced in the past. My brother loved doing Graphics for his car and just being there to talk to. He was a heck of a driver in his racecar. Our community lost a light in Casey. A racecar community lost a friend. With a huge heart and a one of a kind personality you wish there was more people like him. RIP Casey. Our hearts go out to Mark and the rest of the family. Death is not the end but the beginning of something far greater then this world. ---- from Nick, Kasey, and Brayden Rask
