“ *Deloris was a very special lady to our family, we lived next to her and Wayne for 16 years, she would come over to my daycare and ask if she could borrow a few kids to read a story to...bless her heart. My boys also felt like they had an extra set of grandparents. She continued to stay in touch even after we moved (just across town) She would right and send letters and cards to us every holiday season. She was a very special person in out lives. Wayne and Deloris may now be reunited together, sympathies to her family and friends.*

AS

Mention golf and Deloris is the first thing to come to my mind.

I was mildly surprised when she shared with me that she participated in a summer league. I marveled at her ability to hit the links on a weekly basis throughout the season.

She so much enjoyed it and looked forward to it each year. I know she was not a happy camper when her health no longer permitted her to chase that little white ball.

Only one of the fond memories I hold of her.

W/ warmest regards,
