“ So sorry to hear Evonne passed - she was a friend to everyone, especially the children, with her costumes, homemade suckers, etc.

“ Evonne was very special to me. I was always late for crossing guard duty and struggled with mornings, yet she had such a nice approach with kindness that she knew I could do better. She was right, and now I'm always early! In adulthood she still kept an eye on me and sent the most thoughtful messages and keepsakes for my kids. I will miss her waving and hugs. She was at everything, always a big fan for so many and in the front row. She will be missed!
