“ I will always remember the years when Georgia was vibrant, talkative, and always busy doing something in the kitchen on the farm, in addition to cow milking chores. Summer meals included fresh tomatoes and sweet corn that she grew. She was also into sewing and such. I treasure the baby quilts she made, and many more lovely things of hers that I was given by her. I remember her in the parades wearing her red traditional Norwegian dress. I remember so many things...good things. She was my mother in law for 36 years, still only a third of her long life of 92 years! May she rest in peace.

“ Mark and Family,

I am sorry to hear of your loss. I will remember Georgia as the person who introduced me and my children to their love of Norwegian cooking. A holiday meal is now not complete without lefsa. Georgia made the best lefsa.
