“ I pray you ALL will keep safe the memory of the love your parents had for you. The sacrifices they made for you, and the joy they found in you. Always remember the pride they felt for you. All of that was real. All of that is your inheritance and their legacy to you because ALL of you are the most valuable part of their lives. None was more important than the other. Keep that truth and their legacy will live on. May God bless you and help heal your hearts. All our Love Dale and Carol
