“ *Uncle Johnny taught me to fish and shoot my first gun! He was loving and a kind man. With him I always felt loved and at ease. My memories are vast but out doors, wild Berry picking, joking, are a few. He Left this earth behind a beautiful legacy. Love you always uncle Johnny* ”

John worked with my Mom for many years. She loved his wit and made many of her days go much easier. John was always so good to me when I was younger. I appreciated that very much.

Thank you John, I remember your mom well when I'd stop to see dad at the phone company. She was a great lady!
