“ You're in the soft winds that blow, you're in the lite falling snow  
you're the gentle showers of the rain, you're in the fields of ripening  
grain  
the star shine in the darkest night, the grace of a bird in mid-flight  
flowers in the morning bloom, the silence of a quiet room  
your in the sound of crickets that sing, you are in each and every  
loving thing.
