“ Kyle mowed lawn for my mother, Agnes Swenson, and he was very kind to her and kept the lawn looking beautiful. In the early spring he would clean up the yard before beginning mowing for the season. My mother's house, at 210 1st Ave SE, was in the Vaaler family a long time, Walter, Kyle's grandfather, was born in this house, one of 8 children, so Kyle had a special attachment to the house and yard because it had been in his family. “ Sorry to hear about Kyle's passing. He did our mowing for several years with meticulous. But with all the work, he still had time for a kind, friendly visit! Always enjoyed our conversations!
