“ Well Morken family- my thoughts go out to you at this time. Needless to say I have many good memories at your home! Staying up til 3am making all sorts of xmas cookies, "Little" cleaning on Wednesdays after school and "big " cleaning on Saturdays. Of course we had to eat to maintain our energy- Margaret would say-- what do you want? I would say "anything" and she would say "we don't have that." Many good memories. WE will have to discuss when we all get to heaven! Thanks for the memories. Audrey Larson Himes

“ I so loved my little Margarita, and all the wonderful, fun times we shared over the years! Dating back to when I was just a little girl, you've always been such a special person in my life, who always made me feel like part of your family!

RIP my treasured friend, and when we meet again, look out Lord, as we'll have some major catching up to do - so you may as well start now, changing allot of water into wine!

Sending hugs and lots of love to the entire Morken family!

“ Mary, Dean, and family,  
I am so sorry to hear about the passing of your mom. I know it is a difficult time for you, but now you will not have to make the tough decision of whether the nursing home would need to be her new home. You have countless wonderful memories of her that you will always cherish! We will all miss her!

Take care,  
Love,  
Mary and Scott

“ Margaret always had a cheerful smile and greeting for me from childhood on. I'll always think of her with the other "Bridge ladies" having such a good time together. A bit of brandy, lots of loud laughter and the joy of friendships built for the long haul. She was a blessing to many and will be missed. My sympathy to the family.
