“ *Schoonover Family, We extend our sympathy to all of you, yet rejoice knowing that Joan has been welcomed by our Lord and Savior. Along with David's mom, Carol, we became acquainted over a few games of cards while Joan lived at Nordic Village in Westby. We have much to be grateful for given the blessings of people like your mom and grandmother/great grandmother! David and Karri Bjornstad*

“ Dwight and Family,
Wanted to express our sympathy on the loss of you mother. Both your mom and dad were such good friend of my parents. I know how many times the 4 of them enjoyed card games and visits both in Spring Grove and Arizona. It has been many, many years since we played ping pong in your basement, those evenings were always fun times. Blessed be the memory of you parents.

“ Dwight, Cindy and family--It was nice to be able to visit with Joan after she moved to Westby. I would sometimes stop in when I was in Westby to visit our son and family. She was still the same spunky lady with a great sense of humor that I remember from so many years ago. The first time I was there, she was telling me about emailing you every day as your signal that all was well. "Sometimes I do it when I visit the bathroom at 4 A.M." she said with her famous laugh. Gotta love the humor! My condolences on her passing, but joyful she is again with her beloved Byron. Lorraine Friske Buchholz
