“ Muriel was the most loving and caring Aunt. She always made me feel special and wonderful. Her warm hugs and great cooking will forever be remembered. There was a constant wink and twinkle in her eyes that danced with her glowing smile, especially when she was having fun and teasing in her very sweet and loving way. Her family was her greatest joy. Muriel generously and selflessly dedicated all her energy toward helping, caring for, and loving everyone around her. Aunt Muriel was such a beautiful person inside and out. She will be missed.

With love,
