“ *Sandy's laughter and big heart and kindness will be in my heart forever. I will miss all the funny things she used to say under her breath for my ears only. She is the best friend that I ever had and I am blessed that her family made us a part of their family. Fly high, my friend and be at peace. Pure love and good vibes are going with you.*

“ Sandy, my best friend, I will always keep the memory of your laughter and happy nature in my heart forever. You were the best friend a person could ever have the pleasure of having. I miss you dearly. We are blessed that you and your family excepted us like family and we will watch over Dave and Angie and the babies, as you will. Lots of love and good vibes are going with you.
